A Note from Coach CJ:

Regarding Tournaments:

The last two tournaments in April are LIVE tournaments. LIVE means that many college coaches will be attending and can talk to athletes. Our Top 17U team will play in four LIVE tournaments.

Live Tournaments:

| | | |
|-------------------------------|--------------------|--------------------|
| Live Season Kick Off | Kansas City | April 17-19 |
| Hardwood Live | Chicago | April 24-26 |
| Summer Challenge | Chicago | July 3-5 |
| Hardwood Region Finals | Bloomington | July 17-19 |

The Comets Shootout in April is a big Minnesota tournament that will have many coaches attending. The coaches are unable to talk to athletes at this tournament, but it is proven to be a great tournament to play before the first LIVE event on April 17.

The other tournaments are not LIVE tournaments but expect hundreds of college coaches to attend. I will be contacting specific coaches to attend these tournaments, specifically to watch our athletes play.

If you have any questions, give me a call at (202) 549-1343.
